RE: Distribution of food aid to individuals experiencing food shortage in Wargba.

Dear Ms. Akeza

Raya Development Association in Canada (RDA Canada) has received your request to assist fifteen individuals who are on the verge of starvation in Wargba.

As per your letter, these individuals are experiencing the early stages of starvation, therefore, in need of urgent food aid.

RDA Canada has independently verified the information you provided, and consistent with its charitable purposes to Provide Relief of Poverty, its board has approved to release \$180,000 birr to provide food aid for these individuals

RDA Canada anticipates that this aid will be enough to support the individuals for the next three months in the hope that more substantial aid will reach them from governments or other NGOs soon.

RDA Canada will transfer the funds to its representative, Mr. Kahsay Mesele, and he will be available to assist you in the purchasing and distribution of the aid.

As a social affairs officer of this area, you or your substitute will be distributing the aid for each individual whose name is listed in Attachment A as follows:

- 100 kg of sorghum (ሶግሃ), estimated cost \$8,000 Birr.
- 5 Litters of cooking oil, estimated cost \$1,000 Birr
- \$3,000 Birr cash for supplemental food items.

Please indicate your agreement to monitor and execute the aid distribution by signing on the space provided below.

Sincerely

Abraham Beyene,
