## Schedule "A"

Because of the war on Tigray, and the subsequent economic blockade and blackout of basic services, many people are under extreme poverty, unable to provide basic needs of life for themselves and their dependants. RDA Canada has selected an IDP center in Adigrat which is sheltering several internally displaced people from the Erob area, just north of Adigrat.

RDA Canada was able to verify from witnesses the existence of many malnourished children and mothers suffering from food shortages in these areas.

Considering RDA's budgetary limitations, it has selected 100 female-led families among the IDPs, and it will provide assistance to those families as outlined in Schedule A.

RDA Canada will remit a lumpsum amount in two equal instalments to the bank account shown in Attachment 4.
