Mr. **TESFAMARIAM HADGU ZEMA & Amdom Tsebay**  
School Principal  
Town of Chercher Secondary School  
Wereda, Raya Chercher  
Tigray

**RE: Distribution of funds to needy students at Chercher secondary school.**

Dear Mr. **TESFAMARIAM Hadgu & Amdom Tsebay**

Raya Development Association in Canada (RDA Canada) has received your request to financially assist twelve high school students at your school.

As per your letter, these students are either internally displaced or students who walk long distances from their villages to attend classes at this school, because they could not afford to rent rooms nearby. In your letter, you further expressed your concern these students may drop out of school because of shortage of food, clothing and inadequate school supplies.

RDA Canada has independently verified the information you provided, and consistent with its charitable purposes to Provide Relief of Poverty and to promote the Advancement of Education, its board has approved to release funds to assist the students until the end of the current school year.

RDA Canada will transfer the money as a lumpsum, and the money is to be used to provide shelter, food, clothing, and school supplies for the students until the end of June 2024.

As the head of the school, you or your substitute will be responsible for the distribution of the money to the beneficiaries on a monthly basis as outlined in attachment A.

Please indicate your agreement to monitor and execute the fund distribution by signing on the space provided below.

Sincerely

Abraham Beyene,

Executive Director, RDA Canada

I hereby agree to monitor and execute the fund distribution as stated in this document and further outlined in attachment A.
